

PURPOSE

The purpose of the SAME Baltimore Post Scholarship and Educational Outreach Fund is to encourage and support talented students to pursue careers in engineering, architecture, or the physical sciences. We accomplish this through scholarships awarded to qualified students who are pursuing a baccalaureate degree in these fields. Our scholarship recipients are selected on a merit-based approach.

SCHOLARSHIP AWARDS

Our program awards scholarships in three categories - One-Year Scholarships, Four-Year Scholarships and Relative Scholarships. All scholarship awards are in the amount of \$2,000 per academic year and are awarded during the first semester.

Those students who are interested can obtain an application form from www.samebalt.org. Applicants are to select all categories they would like to be considered for, provided they meet the requirements. General requirements for **all** SAME scholarships are specified on the “Scholarship Selection Criteria” sheet of the application. Additional requirements for each of the three scholarship categories are provided below.

One-Year Scholarships

One-year scholarships are awarded to students entering their sophomore, junior or senior year. Students must meet the “Scholarship Selection Criteria” requirements and must be attending a school that is in the SAME Baltimore Post geographic region. A list of eligible schools for the current academic year is provided below.

Four-Year Scholarships

Four-year scholarships are awarded to incoming freshmen. Typically, candidates for four-year scholarships are nominated by the school; however, a student may self-nominate. Relative Scholarships

This category awards scholarships to candidates who are directly related to an ACTIVE member of the SAME Baltimore Post. The candidate must be nominated by a parent, grandparent, or legal guardian. The candidate must provide the ACTIVE member’s name, post affiliation, and SAME positions held with their application. The candidate does NOT need to attend a university or college in the SAME Baltimore Post geographic region, but does have to meet the “Scholarship Selection Criteria” requirements. If the candidate is a graduating high school senior, proof of acceptance to a college or university in an eligible program is required. If already enrolled, a letter from the Registrar or other proof of enrollment must be submitted.
